The Alliance of Desert Theatres (AODT) are proud to announce their first Unified Auditions for the upcoming 2023-2024 season. Performers will have the opportunity to audition for multiple theatres in Coachella Valley at one time.

WHO: [The Alliance of Desert Theatres \(AODT\)](#) is a cooperative of producing theatre companies and live entertainment organizations in the Coachella Valley and Morongo Basin that network and take action in order to advocate for and nurture a vibrant performing arts community.

WHAT: Unified Auditions consisting of multiple theatre companies located in Coachella Valley. Actors: audition once, get seen by many!

WHEN: June 23 – 25, 2023

WHERE: All auditions will be held at CVRep
68510 East Palm Canyon Drive
Cathedral City. CA 92234

HOW TO REGISTER: Beginning Tuesday May 23 at 10am you can visit <https://aodt-auditions.youcanbook.me> and select an open audition time. Please note the callback and dance call times listed for each audition block and allow yourself the time to participate if needed.

You will be given instructions on how to submit your resume and headshot once you are registered. Electronic headshots and resumes will be distributed to each participating theatre prior to audition weekend.

Each actor is allotted 5 minutes to highlight their skills. We recommend preparing a short monologue and 16 – 32 bars of two contrasting songs (an accompanist will be provided). Non-musical actors should prepare two contrasting monologues. There will be a dance / movement call held each day of auditions for dancers and musical theatre performers. Each theatre will be holding individual same-day callbacks.
